

BOCA TOWERS WEBSITE

We are pleased to announce that our website is back on line and available for your use. Our address remains “www.bocatowerscondo.com”.

Our website will include all of our relevant documents and financial statements, events and meeting updates, business referrals, and owner classifieds. You can also communicate directly with other owners and residents, and as situations warrant management and the Board will deliver alerts and messages of importance to all of our residents.

Please be sure our office has your current contact information, to include your address and telephone information when you are away from Boca Towers, as well as a current email address. The most useful information will be password protected, so please follow the instructions that will soon be sent to you to establish a password that will only be known to you and not to the website administrators, managers or Board.

We are pleased to offer this added amenity to our owners and residents.

As always, thanks for your support.
